President Samia Endorses Launch of AGCOT, Ushering in a New Era for Tanzanian Agriculture

Published: 28 April 2025

Dodoma | April 28, 2025

In a historic moment for Tanzania's agricultural future, Hon President Samia Suluhu Hassan, on April 28, 2025, officially affirmed the nationwide launch of the **Agricultural Growth Corridors of Tanzania (AGCOT)**.

During her visit to the AGCOT Centre Pavilion, President Samia engaged with youth-led agribusinesses backed by AGCOT and the Building a Better Tomorrow (BBT) initiative. Startups like *Raha Vegetable Farm* (a tomato seedling innovator) and *Get Aroma* (a fast-growing spice aggregator) stood alongside major private investors such as ASAS Dairies and Kisutu Winery.
