SAGCOT Newsletter (2024)Q2

Published: 7 August 2024

SAGCOT Centre presents its Q2 2024 Newsletter, highlighting achievements from April to June. This issue focuses on strengthening value chains, promoting sustainable practices, and enhancing market access for Tanzanian farmers. Key features include updates on the avocado value chain, the Tanzania Sustainable Soybean Initiative, advancements in carbon credit partnerships, and the drive to make Morogoro the spice hub of Tanzania.
