
MTWARA CORRIDOR

Mtwara Corridor - Kanda ya Kusini Mashariki

Published: 19 June 2025

Regions Covered: Lindi, Mtwara, and Ruvuma

Strategic Role:

Positioned for Southern Coastal transformation, this corridor is key for export crops and blue economy linkages.

Priority Value Chains:

- **Cashew Nuts** - processing and export
- **Sesame & Pulses**
- **Aquaculture** - seaweed, tilapia, shrimp
- **Horticulture and Spices** - especially cloves and chilies

Corridor Highlights:

- Investment in rural roads to ports
- Mtwara Port modernization opportunities
- Public-private partnerships in processing zones
- Cluster blueprints under finalization
