

NORTHERN CORRIDOR

Northern Corridor - Ushoroba wa Nyanda za Juu Kaskazini

Published: 19 June 2025

Regions Covered: Arusha, Kilimanjaro, Manyara, and Tanga

Strategic Role:

This corridor leverages its cooler climate and access to international markets for horticulture, dairy, and tourism-agriculture integration.

Priority Value Chains:

- **Horticulture** – vegetables, fruits, flowers
- **Coffee and Tea**
- **Dairy** – improved breeds and cold chain development
- **Beekeeping** – organic honey and wax products

Corridor Highlights:

- Investment in irrigation and climate-smart practices
- Export potential through Kilimanjaro and Tanga trade routes
- Youth-led agri-enterprises
